B04-BLAIR

Burn Blanton Burn

As a journalist I'm required to be totally objective in my reporting. My personal opinion doesn't enter into the picture. I report the facts, plain and simple, nothing more, nothing less.

Tonight is a perfect example . . .

Here I am at the state prison covering a most somber event—the execution of condemned serial killer Ed Blanton.

Make no mistake, Blanton is a monster. He was convicted of six murders, but probably committed many more. The man is a serious menace to society. A scumbag of the worst sort.

Still, I'm opposed to capital punishment.

But the viewers at home would never know this.

And that's the way it has to be . . .

I'll admit it can be quite a challenge to hold my tongue, especially in a volatile environment like this one. We have two camps here tonight, those protesting the forthcoming execution, and those celebrating it like rowdy revelers at a music festival.

The atmosphere is surreal and carnivallike and, truth be known, I'd like nothing better than to tell the latter camp to go fuck themselves. But I can't do that. Not if I want to keep my job.

And I'm already on thin ice with the station manager.

Hell, I'm lucky he didn't fire me. The employee handbook strictly forbids romantic relationships between coworkers. When he discovered that I was seeing Tom, the station's newest cameraman—well, let's just say that he

wasn't happy. Both Tom and I apologized and begged and pleaded and somehow managed to hold on to our jobs.

Now, camped outside the prison in the pre-dawn hours with a large contingency of blood-thirsty yokels, I can't decide if that's good or bad.

I sometimes think I'd be happier tending bar.

Needing a break from the crowd, I ducked into our news truck. The state-of-the-art broadcast vehicle, what with the big satellite dish on its roof, looked like something better suited for rolling on the surface of the moon than a paved roadway.

I entered the side door.

And froze in my tracks . . .

Tom stood there with his back to me, his faded blue jeans bunched around his hiking boots, his cock in the mouth of some quasi-hippie protestor chick. Her crudely rendered sign—THE DEATH PENALTY IS DEAD WRONG—lay forgotten on the floor beside Tom's camera.

Kneeling before him, the hippie whore pumped her head frenziedly, sucking his dick with slutty enthusiasm. I remained rooted to the spot, unable to look away as Tom placed his hands atop her head and thrust his hips, ramming his rod into the back of her throat.

"Oh yeah, baby," he said. "Take that cock."

My trance broken, I turned on my heels and exited the truck, closing the door quietly so as not to betray my presence. I couldn't believe it. That bastard! Tom and I, despite our run-in with the station manager, had kept seeing each

Kneeling before him, the hippie whore pumped her head frenziedly, sucking his dick with slutty enthusiasm. I remained rooted to the spot, unable to look away...

other. I had thought we had something special, something real. Clearly, I was wrong.

And highly pissed!

I stormed from the truck and weaved through the crowd, my cheeks burning with the humiliation of having watched my boyfriend fuck the protestor's face. A part of me wanted to quit right then and there. To hell with the station. To hell with my career.

But my desire for revenge was strong, much stronger than my urge to flee. Two could play Tom's game, I reasoned.

Scanning the crowd, I looked for a suitable mate.

Or two . . .

Tom shared my liberal views.

No wonder he had hooked up with one of

"We never miss a show," Bubba said. "Hell, you're the prettiest reporter in the whole damned state!"

the protestors. Undoubtedly, she was the kind of gal he had dated in college, the kind of gal I used to be before entering the real world.

Don't get me wrong. I still felt the same way she did about the death penalty, but the similarities ended there. I was an adult, having long-since cut my hair and ditched my bohemian clothes. And, of course, I didn't go around sucking random dick.

But that was about to change . . .

Their names were Bubba and Billy and they were selling T-shirts from the bed of a pickup truck. BURN BLANTON BURN, the shirts read. The two rednecks had a cooler full of cold beer and several hundred dollars' worth of fireworks. They were also drunk and eager to share their views regarding the execution.

"They're gonna' fry Ed Blanton like a Thanksgiving turkey," Bubba said, punctuating his statement with a hefty swig of beer.

"You ever had fried turkey?" Billy asked.
"I don't think so," I said.

"You're really missing out," he told me. "It's the best way to cook a bird. You just drop that sucker in a vat of peanut oil—"

"Shut the fuck up, Billy," Bubba said to his friend. "You're talkin' to a reporter here. She don't want to hear about no goddamned turkey. She wants to talk about Ed Blanton and his date with the hot seat . . ."

They actually weren't bad looking. Both Bubba and Billy were tall and rangy; they looked like they did a lot of hard manual labor. Bubba had a full head of brown hair he wore parted in the middle and long in back. Red haired Billy, the thinner of the two, had a full-on mullet.

They offered me a beer.

"I'd love one," I told them, "but we'll have to sneak off somewhere. I can't let anybody see me drinking on the job."

Bubba smiled. "I know just the place . . ."

The three of us distanced ourselves from the crowd, cutting across a large grassy area to a culvert some fifty yards away. The culvert was deep enough to conceal us from the throng, its concrete sides and bottom bone-dry from a recent drought.

I sat on the banked side furthest from the prison. Bubba and Billy joined me, the former pulling the tab on a cold one. "Drink up," he said, proffering the can.

I had been on-location for hours. It was hot and humid, typical summertime weather for this part of the country. I had stayed hydrated with bottled water, but it's hard to beat a cold beer.

"Wow," I said. "That really hits the spot . . ."

It was cheap beer. Still, I enjoyed every drop, making short work of the 16 oz. tallboy. Bubba offered me another.

"No thanks," I said.

"There's plenty," he told me.

"More than enough," Billy added.

"I think I've had enough," I said. "A female reporter has to maintain her girlish figure . . ."

Bubba and Billy grinned.

"Nobody wants to turn on their TV," I added, "and watch some porker deliver the news . . ."

"I heard that," Billy said, adding that he and Bubba were loyal viewers of mine.

"We never miss a show," Bubba said. "Hell, you're the prettiest reporter in the whole damned state!"

"I second that," Billy remarked.

Enough chitchat, I thought. It was time to make my move.

"You guys are the best. I really appreciate your loyalty."

Then I thanked them, in my own special way . . .

Bubba and Billy lay on the concrete bank, their hard cocks freed and pointing at the twilight sky. I faced them, crouching there between the two rednecks, the top of my light-weight summer dress pulled down below my bra. I unclasped the lacy article and let it fall, liberating my tits.

The fresh air caressed my stiff nipples, prompting me to go down on Bubba while stroking Billy. Bubba had a big dick, more than enough to fill my eager mouth. Billy's equally big cock swelled in my hand as I pumped and jerked.

If Tom could see me now!

Moments later I switched to giving Billy head and tugging on Bubba's schlong. Other than the occasional grunt or sigh, the backwoods pair remained perfectly silent as I serviced them. Having one cock in my mouth and another in my hand had turned me on something fierce. My cunt was wet and primed for a proper poking . . .

I withdrew my face from Billy's lap and released Bubba, then turned ninety degrees between them, assuming the doggy position there on the mildly banked surface. The concrete was hard on my knees, so Bubba, ever the gentleman, took off his BURN BLANTON BURN T-shirt, folded it, and placed the garment beneath me.

"How's that?" he asked.

"Much better," I told him.

Bubba moved behind me and lifted my dress, draping it over my hips while Billy lowered my panties to my knees. The mullet-sporting hick whistled his appreciation of my ass. I don't know how they determined who would get first crack at me. All I know is that Bubba took the lead and Billy didn't protest.

Bubba's callused hands gripped my hips a split second before he pushed that big dick of his inside me. He fucked me good, hammering my hot hole with frenzied thrusts; this while Billy provided a lewd running commentary.

"That's it, Bubba! Fuck that pussy! Do her, man!"

Billy's words had an immediate effect on Bubba who fucked me harder and faster, jabbing me with that sizable schlong of his, battering my box with a relentlessness which Tom, even on his best day, could never match.

It wasn't long before Bubba hollered crazily, pulled out, and dumped his load on my

ass. "Your turn, Billy . . ."

"Don't mind if I do," Billy muttered.

Bubba had loosened my pussy, but his friend didn't seem to mind the sloppy seconds. He plunged his dick into my twat and fucked me hard. He thrust slower than Bubba, considerably slower, yet managed to bore deeper. Each and every one of his powerful prods made me grunt and jerk violently. Bubba, like Billy, egged his friend on . . .

"Yeah, Billy! Tap that sweet poon!!!"

Unlike Bubba, Billy wasn't content to come on my ass. He withdrew and moved around to confront me, thrusting his rod in my face. I sucked his cock for the second time that day. This time, of course, was different. I tasted my pussy on him, savoring its distinctive flavor as he nutted in my mouth.

"There you go," he said, watching my throat constrict. "Swallow that load . . . down the hatch . . ."

I was adjusting my dress when the scene erupted. People cheered and whistled and clapped. Firecrackers popped. The gradually lightening sky went bonkers with all manner of starbursts and multi-colored streamers.

"He's dead," Bubba said matter-of-factly.

"It's about time," Billy added. "Burn in Hell, Blanton."

I hastened from the culvert and headed for the melee, hoping to interview as many people as I could before everybody went home.

Tom and I didn't talk much on our way back to the station. He drove the truck and I sat quietly in the passenger seat. There would be plenty of time to confront him later, preferably while wearing my BURN BLANTON BURN T-shirt.

Compliments of Bubba and Billy . . .

TARA & MISSI

Missi moved in next door. A few weeks ago she came over and introduced herself. We went to a coffee shop and had a great time. Soon the conversation turned more intimate. She told me she always thought she liked women but was afraid to try. I told her I was the same, and now I'm showing her.

Do you like what you see? My big, full round ass? Perhaps it's my sweet-tasting pink pussy that I would open for your cock? What would it take for you to come over and see me? A finger in my pussy? Perhaps a huge dildo? Or do I have to do something else to convince you? Maybe I need to show you what kind of fuck I am? Yes, I'm a good one! I assure you.

Hollywood Whores

Being beautiful wasn't always enough to get a break in Tinseltown, but it certainly helps

T

he Me Too movement uncovered the dark side of making it in Hollywood. But Hollywood's legendary "casting couch"—whereby leering, horny producers coerced aspiring actresses into yielding their nubile bodies for a chance at a part in a movie—hasn't vanished. It's still there.

We talked to some young actors and delved into what really goes on in the mad scramble for success where everyone is beautiful and ambitious.

Bonnie and Julia aren't their real names, but these busty girls look very much alike. Like many beautiful girls, they were lured to Hollywood by the promise of fame and fortune. No, these aren't those famous blonde chicks that turned up everywhere. Recently the girls, who are both 22 years old, went to an audition for a commercial calling for young blondes. They were called back three times, and then interviewed personally by the company's ad executive in his office.

"The guy had been real charming and polite during the two times we met him before," recalls Bonnie. "I personally found him hunky, but Julia could only think about the big break. I did too of course. Then, alone with him—we must have seemed pathetically eager—he seemed much more, you know, suggestive."

"He started complimenting us on our bodies. I probably warmed to that more than Julia, because he paid me particular attention and I was feeling more and more tension from Julia. Honestly, I wouldn't have minded if he had asked me for a date, or if I could have asked him, preferably after news that we had gotten the job, of course." Well, they later found out they lost the job by a hair. The lucky girls who got it were blonder.

"But," continues Bonnie—who admits to having appeared in two porn flicks—"the guy made his move. I could hardly believe it; he just asked if we were interested in a threesome. Neither of us said anything. To his credit, he never said we'd get the job if we did it. At first I was

appalled, and then I thought, why not? (For me, anyway.)

"He came up to me and boldly put his hand in my blouse. I removed it and we kissed passionately. Again, there was enormous tension from Julia. But you know this guy had it; I didn't want to stop if I didn't have to. But Julia didn't leave."

"I figured Bonnie was making a career move," says Julia, "but it soon became clear she went for the guy. He was not my type at all."

Julia soon excused herself from the conversation and the scene, and Bonnie took over. "Julia was jealous, is what it was. By the time he got around to unhooking my bra—you don't usually go on ad calls braless—and had my tits out in full view, Julia was ready to have a fit; she's like a younger sister, really. The guy was staring and starting to kiss and lick; Julia undid her top and thrust her tits in his face. I'd have burst out laughing if I hadn't been in the throes of passion.

"So there he was, the poor jerk, like a crazed human windshield-wiper, bobbing between our four tits which are more than ample. I'd been in foursomes with Julia, but never with one dude between us, and it was a huge turn-on. Eventually we moved topless to the couch—all he took off were his shoes—and he sat between us, sort of petting our pussies through our panties. Anyway, I was real wet and my legs were wide apart. I felt no embarrassment in front of Julia.

"Finally, I got him to take his pants off and I went down on him. His dick was rubbery and not soft for long; it had a beautiful shape. Anyway, Julia wouldn't be left out of it. She came over and grabbed his nuts and yanked at them, and I think she was squeezing, pinching his buns. Then she went behind him—don't ask me what she did with her fingers—and kissed his neck. I'll bet if she'd had a dildo she'd have used it on him, then and there; she's more aggressive than I am. I wanted him to fuck me fast, so I could watch him fuck Julia. Then I'd frig myself slowly, and it would be so much the better if he

The guy was staring and starting to kiss and lick; Julia undid her top and thrust her tits in his face. I'd have burst out laughing if I hadn't been in the throes of passion.

got her to orgasm too.

"It didn't go quite that way. The secretary poked her head in and the guy shrank faster than you could say boo. So it wasn't quick and clean: it took us over ten minutes to get him back to full-mast. Nothing worked well enough till, on the couch again, Julia sat on his face; she'd never have done that, but it shot right up and I eased myself onto it and took my good, sweet time screwing ourselves with it. I didn't care if he could breathe or not; I just wanted enough time to come. If I felt he was getting too excited, I'd stop and make a sound or say damn, whatever.

"It didn't take me very long. The atmosphere was so charged up, and with Julia sitting on his face, playing with herself too, and I mean, it was my first time on a legitimate casting couch. After I came, Julia got up and we left the guy there. I sort of felt we weren't going to get the job. I just figured he wouldn't have come on that way with his own stars.

"After that there was a form letter, nothing more, but I don't regret it!"

A Bushy Tale

Dinah is a sexy brunette who's made several commercials but hasn't made a movie in three years, since doing a bit part opposite a top box-office actor. She supports herself by working part-time as a waitress, and has even done some "escort" work on occasion if she likes the guy. Dinah admits to having been on the couch three times. She describes the second time, since it was more unusual:

"He was an older guy, somewhere in his 50s, but not greasy or ridiculously dressed. He looked rather distinguished. It wasn't an audition or anything; I'd just been sent over by my agent to discuss whether I should try out for a particular role.

"The part required some nudity and a terrific ass. It was illegal for him to ask to see my naked ass, but I'd been asked to take along a swimsuit, which I did. I had on a bikini bottom under my flowing skirt. After a few impersonal questions he asked, real casually, if I minded letting him smack me on the bottom. 'To test firmness,' he said. I told him to go ahead. I told him I could remove my skirt and just show my ass to him.

"He was like a kid in a candy store; he couldn't make up his mind so I just hiked up my skirt. He walked over slowly. I thought he was very objective but he was hiding his passion. He touched my ass and then he put his cold palm on my belly, right above the bikini. I shivered, and maybe he took it to be lust, but he marched his eager little fingers right onto the fabric above my crotch. It happened so fast, and then he was on

his knees, his mouth on the fabric.

"I figured, 'what the hell, as long as there's no fucking involved why not let him have his fun.' I just stood there; it was flattering, after all. These are important men, and while I don't think their attention can get you a big break—maybe a small one—I know for a fact that their contempt can hurt you; these guys all know each other and they stick together. So then he did a weird thing: he pulled down my skirt, snatched it out of my hands, and covered himself up in it.

I wondered how kinky he'd get but as long as it didn't hurt, I'd stand for pretty much anything. The bikini was a tie-on. He undid the sides and let it drop to the floor. Before starting to eat my pussy, he licked and licked. I felt like a Julia kitten. I could feel the saliva welling up inside my pussy mound, his mouth drooling slowly down my skin. It didn't feel half-bad, and I was fascinated.

"After I spread my legs a bit more, and he literally got his tongue up inside me, I was feeling very horny. I knew he could do this forever. He was a cunt-licking freak. I didn't know if he'd expect a blowjob in return, but I let myself go with the moment. I'm no exhibitionist, but I'd really love to have a picture showing this studio VP in Charge of Production inside my skirt.

"There's not much more to tell, except that he spent nearly an hour at it and he jerked off twice. I came several times because he'd keep right on going. I could hardly take it. In fact, when it was all over I nearly keeled over; I was unsteady on my feet and had to sit down for a few minutes. He didn't say much more; he was back to being professional again.

"I kind of felt bad that I hadn't done anything for him. So I ventured to ask if I might see him again, on a date. And he never softened; he just said he didn't believe in seeing the women he came in contact with at work, out of "fairness." I have since learned that the guy has a nickname, the Skirt-Climber, and that he's chewed out some of the biggest actresses around.

After I spread my legs a bit more, and he literally got his tongue up inside me, I was feeling very horny. I knew he could do this forever. He was a cunt-licking freak.

Bobby

Bobby is 24 and very handsome. For two years he lived with a top female singer. He got some press coverage as the star's new, younger partner, but their relationship was really platonic. She is a closet lesbian and he was a "beard" for her, since she has had two long-time female lovers she still sees regularly.

Bobby wants to make it in Hollywood, and he finds he has made more progress since moving out. "When I lived at her place—we rarely saw each other—everyone assumed I was her private property. On the other hand, it got me known around town."

Although he has avoided the casting couch, Bobby has been propositioned many times—by both female and male powers that be. "Gays almost control the business. I didn't want to be associated with that and risk being labeled gay. So though I got propositioned by some important men, I turned them all down. I did it instead with one female producer who turned out to be bisexual, I heard."

Bobby's fling with the producer was purely to "establish my credentials," he said. "She's produced some biggies, but I wasn't up for anything. I'd just met her at a function and we'd exchanged business cards. I found her attractive. Another actor told me she was a gossip; that she bragged; about her sexual conquests.

"We did it on her couch, which was a bed. I just pumped it to her while she played with her little tits and yelled obscenities at me. She'd have been intimidating; the way she was hollering she acted so angry at me. But once I'm hard, that's it till I come.

"And when I did start coming, because I'm rather vocal, she pushed me off her. It was hard and unexpected, so most of the jism landed on her belly. Before I was done she yelled, 'Lick it off, dick!' I bent down but I couldn't get myself to lick it. Then I thought why should I? Then she rubbed my cum into her like a cream, and before she got off the couch she told me she was really busy, so I'd better haul my ass out of there.

"I almost expected her to say, 'Don't call me, I'll call you. Next time I saw her she was friendly enough though in a casual kind of way.'

Bobby's only other couching experience happened not long afterward, and it involved not one, but two casting directors who share an office. Bobby recounts: "I wasn't auditioning; I was just being interviewed so they could judge my personality better. I realized one of the women kept staring at me. I thought she might just like me for the role, or even lusted after me. The other woman was very neutral. Most casting directors try make you feel at ease because they

want your personality to surface.

"I was up for one of several parts in an upcoming movie, but I didn't know which. She asked me if I had a problem with nudity and of course I said no. The woman's ears perked right up and she smiled at me. She ended the interview, while the other one was doing paperwork, and asked me to come back later in the afternoon. I tried to figure out if she wanted to make me an offer or prolong the interview, or if it would be a pass and it would come from her or the 'neutral' partner.

"It came from both, of course. They took me in a Mercedes to some apartment they didn't know their way around in too well. I went in the bedroom and she began pawing at me and stripping me, and then sucking on me: I wanted her to-suck me off so I could perform on the other woman with her, which is a scene I enjoy. But when she came in; stark naked, she lay on the bed and started giving orders. She wanted the other woman to eat her while she blew me—only not-too well, because she was more preoccupied with getting her pussy eaten.

"Then we switched. I lay down and got blown by the other woman while I ate her out. Then she lay down and she ate him her while she sucked me. She told us what to do, and for how long. Then, believe it or not, we started all over. Before it was over all of us came.

"One of the women wanted to see me and the other one doing things together, like rimming each other's assholes, but I refused. So she ended up rimming the other and watching that got me hard again. So I fucked her while she watched and the other got herself off with a dildo. It was wild, sort of like a fantasy come true.

"I ended up falling asleep and when I woke up later one of them was sucking on my half-hard dick while the other one was working on my nipples. I finally got out of there just before dinnertime. I realized I had fucked at least four different holes of my future employers."

It goes without saying Bobby got the part.

I went in the bedroom and she began pawing at me and stripping me, and then sucking on me: I wanted her to-suck me off so I could perform on the other woman with her...

HONEY

I'm doing this photoshoot because I love sex, and because I love the camera, too. Put the two together and it's such a turn on for me. I especially love sucking cock, but there's no cock today. So, I'm going to enjoy my oversized vibe. But before I do, I'll do a slow striptease for all you foot and stocking lovers.

MANDY & FRIENDS

I was shy and awkward in college, and for years after that. I fixed my boobs, then I was off and fucking. I then got even more adventurous and experimented with threesomes and orgies, and stuff like this.
